

SOLID-SCOPE MACHINING CO., INC.

17925 S. Adria Maru Lane Carson, CA 90746

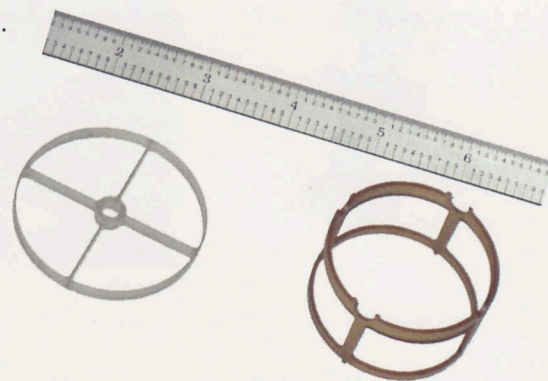

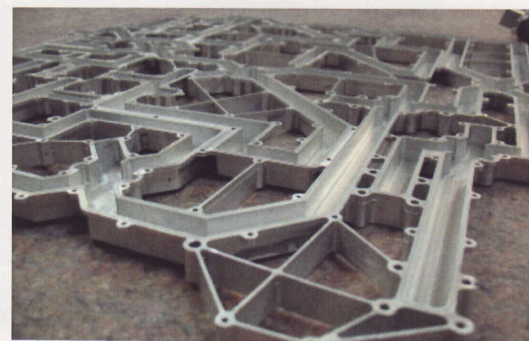

Phone (310) 523-2366 • Fax (310) 538-1682

Quality on a Fast Track.... Proto-Types are one of our specialties!

Precision Machining/EDM

- Established in 1978 as a women owned small state of the art machine shop for short run and production parts.
- Registered to the requirements of ISO 9001:2000 and AS/EN 9100B in April of 2004.
- A total of 7500 square feet with 5000 square feet devoted to manufacturing, 610 square feet for inspection/assembly and 1520 square feet for material/tooling storage.
- Capable of meeting the most demanding schedule and holding tolerances as low as + / - .0001. Our internal delivery rating is 99.97% on time and our quality rating is 99.98%.
- An approved supplier for Boeing Satellite Systems, Com Dev USA, Goodrich Corp, Jet Propulsion Lab, L-3 Communications, Qual-Pro Corporation, Raytheon and Lockheed Martin.
- CNC mills with a capacity of up to 64"x 34"x 32" with 4th axis and CNC lathes. Our inspection equipment, support equipment, and computer systems will assure a quality product delivered on time.
- Capable of importing file formats including: igs, dxf, dwg, sat, stp.
- Calibrated sub zero freezer for storage of bonding material.
- Provide manufacturing services for all processes that we do not do in house in order to provide a complete turnkey solution.
- Shop hours 5:00am to 10:30pm
- Office hours 6:00am to 4:00pm

Quality on a Fast Track.... Proto-Types are one of our specialties!

**Examples of materials that we stock & work with.
We also have a large database for locating hard to find materials.**

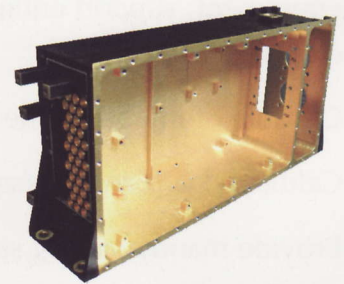

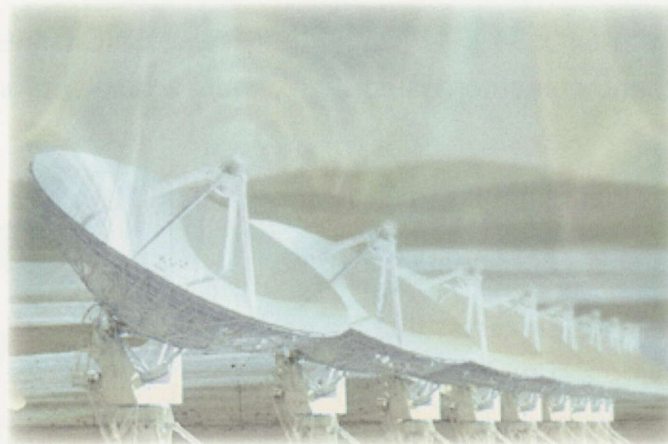

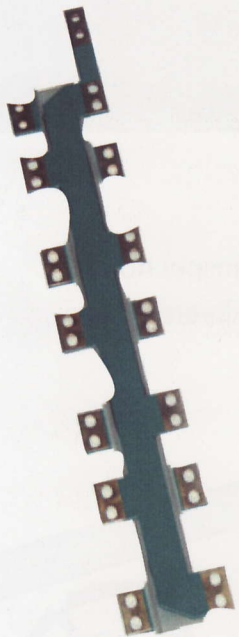

Aluminum • Eccosorb • Molybdenum • Tantalum
Beryllium • Copper • Elastomer • Plastics • Titanium
Brass • Invar • Silver • Tool Steel • Copper • Kovar
Stainless Steel • Tungsten

Other services available in house:

Bonding • Assemblies • Installation of Hardware

Sub-tier Suppliers that we work closely with:

CNC Sheet Metal • Gaskets • Photo Chemical Machining • Vacuum Brazing
Ceramic Grinding • Grinding ID and OD • Processing and Painting • Water Jet Cutting
Dip Brazing • Heat Treat • Silk Screening • Welding • Electronic Beam Welding
Lapping • Testing • Wire EDM • Laser Cutting • Tube Bending
